### PERMANENT COURSES

Auckland Domain - The Auckland City Council has approved the establishment of a permanent course in the Domain and we hope to get this work done early in 1983. This will be a tremendous boost to the sport and will serve to introduce ORIENTEERING to many more people.

Woodhill Forest - thanks to the efforts of several keen members, the NZ Forest Service has also approved the establishment of a semi-permanent course in the Claypit Road area at Woodhill. This has already been set up and is available for use - a great training aid and good fun too, for a family outing (don't forget your compass!). Details are available from:

Phil Brodie 276-4285  
Tony Nicholls 697-792

Special thanks to these two for their work in setting up.

1983 SEASON

The new season gets underway early with the Club's twilight series which proved so popular in 1982. Details of the programme ~~are~~ <sup>on</sup> leaf. In addition both the OY series and NZTrials and Badge events have <sup>early</sup> starts and the first half of 1983 has a heavy programme including the International series versus Australia.

SUMMER SERIES

There will be seven weekly events in the series this year, starting on Tuesday 18 Jan. Following the series will be our first forest event - a training and promotional day at Woodhill.
